**Cloudburst Margaret River Cabernet
Sauvignon 2014**

Variety: Cabernet Sauvignon Drink by: 2034
Region: Margaret River Date tasted: 1/7/2016
Alcohol: 13.4%

Silken, superfine cabernet with black olive, blackcurrant and bay leaf notes doing most of the bidding. Cedary oak plays a clear role too but it's all seamless, it all slips along smoothly.

RATING

95

**Cloudburst Margaret River Chardonnay
2015**

Variety: Chardonnay Drink by: 2022
Region: Margaret River Date tasted: 1/7/2016
Alcohol: 13.3%

Distinctive flavour profile. It leans heavily on elegance as a quality marker but lines of smoked bran, wheat, nectarine and sweet pear-like flavour bring both savouriness and fruitiness to the table. Everything here feels fresh-faced and limpid.

94

Cloudburst Margaret River Malbec 2014

Variety: Malbec Drink by: 2028
Region: Margaret River Date tasted: 1/7/2016
Alcohol: 13.9%

A pure display of blue- and black-berried fruit comes gently wrapped in smoky oak. It's presented in pristine condition; notes of liquid violets come floating forward as the wine breathes, emphasising the wine's quality (and seductive charms) further.
